

## GIRLS ACADEMIC LEADERSHIP ACADEMY

The Accreditation Commission for Schools Western Association of Schools and Colleges (ACS WASC) is a process schools use to monitor student learning and set school improvement goals. The school community looks at data and comes up with areas of strength and areas of improvement for the school including school climate, curriculum, instruction and governance. The WASC plan mirrors the School Site Council plan. On March 7, GALA will undergo an initial WASC visit. The WASC team observes the school, meets with parents, teachers, staff and students, and determines if what is written in the report mirrors the schools reality. The three school goals in both the School Site Plan and WASC report are:

- 1. 100% Graduation rate**
- 2. 100% Of students meet or exceed standards in English Language Arts Proficiency**
- 3. 100% Of students meet or exceed standards in Math Proficiency**

The entire report is available on the GALA website at:
