GALA UNIFORM - FAQ

www.galacademy.org/uniforms

PURCHASING

WHERE DO I BUY UNIFORMS?

Michaels Uniforms is a physical retail store, open most days. Michael's Uniforms has dressing rooms so you can try on before you buy. Lands End is online only at www.landsend.com using GALA code 900174764. Don't ever pay full price - Land End ALWAYS has a sale. Get on their email list and they will send you discount codes. You can also call their customer service number for coupon codes. Usually 20-40% off! Friends of GALA, the parent organization, has a Used Uniform Sale during Registration (April) and during Orientation (August). They do not sell used uniforms at any other time.

WHAT IS THE RETURN POLICY?

Please check the websites of each retailer. In general, Lands End will return any item for a full refund... even items with logos.

HOW LONG WILL IT TAKE TO GET MY ORDER?

For Lands End: Because GALA shirts, jackets, and sweaters must have an embroidered logo, it can sometimes take 4 weeks to get your items. If you order between July 1st and the first day of school, it can take 4-8 weeks. We highly recommend ordering BEFORE July 1st so you can return items that don't fit in time for the first day of school. Call ahead to Michaels as they usually have embroidered shirts in stock ready so you can pick up immediately. For Michaels, expect long lines in August so be sure to shop in June/July.

CAN I BUY GRAY JEANS OR SKIRTS FROM OTHER RETAILERS?

No. When registering at GALA, all families sign a uniform policy statement so you have agreed to the GALA uniform requirements. The GALA uniform policy is strictly enforced. It takes cooperation from every family to adhere to the uniform code. Our online uniform vendor is Lands End. Our in-store uniform retailer is Michaels Uniforms. No jeans, no skinny pants, no "cords", no holes, no Dickies, no other outside retailers.

SIZING

HOW DO I KNOW WHAT SIZE TO BUY?
